Source: Main article EDIT: Copied fróm old Heroes WóW forums Post originally madé by Wehshee.. 3 0 3 3 5 4 0 1 etc If you download later patch vérsions it will givé you issues.. Bare in mind not every single 3 3 5a addon you download will have a 100 guarantee of working and if it doesnt, try what Hawjiki suggested.. Be sure tó select Load-óut-of-date óptions as well in your addóns options on thé character scréen in the bóttom left hand cornér when youve gót the right addóns downloaded and éxtracted into your addóns wow folder.
